

## Specification Sheet

Part Number: 904-00295

Hand lever is ergonomically designed to reduce user fatigue.

Measuring guide incorporates both imperial and metric values which eliminates the need for secondary measurement devices.

Long lasting, hardened blade produces burr-free edges and improves productivity by eliminating the need for filing the edges after cutting.

Includes replacement blade and safety guide to ensure longevity, safety and proper use of the tool (replacements for both can also be purchased separately).

Wiring Duct Cutting Tool, 1/pkg
