

Monitor Riser for Desk, 12 x 20 in. - Height Adjustable, Corner, Metal, Black

MODEL NUMBER: MR1220M

Computer monitor stand lifts your monitor incrementally up to 5.5 in. above your workstation surface to help ease eye and neck strain.

Features

Maintenance-Free Desktop Computer Stand Raises Your Screen for Comfortable Viewing This desk monitor riser allows you some flexibility in placing your monitor for maximum comfort. The legs adjust to heights of 3.9 inches (100 millimeters), 4.7 inches (120 millimeters) and 5.5 inches (140 millimeters), so you can view your monitor while lessening strain on your eyes and neck. Lifting your monitor also frees up valuable space on your desk, table or counter at home, school or office.

Rugged Metal Construction Supports Up to 44 Pounds The triangular metal platform measures 12 x 12 x 20 inches and supports monitors, laptops, printers, small televisions and other devices weighing up to 44 pounds. Its three-sided construction allows it to fit snugly in a corner. The platform is ventilated to allow proper airflow and help keep your monitor cool. Rubber feet attached to the legs secure the riser in place on a smooth surface. The monitor stand riser assembles in just a few seconds with no tools or permanent mounting required.

Specifications

OVERVIEW	
UPC Code	037332231147
Device Compatibility	Monitor/HDTV
PHYSICAL	
Color	Black
Material of Construction	Metal
Mounting Location	Desktop
