

Universal Swivel Monitor Stand/Riser

MODEL NUMBER: MR1815SWVL

Raises your monitor 6 in. above your desk, table or workspace's surface and swivels 360°. Ideal for monitors and televisions up to 50 in. and 88 lb.

Description

The MR1815SWVL Universal Swivel Monitor Stand not only frees up valuable space on your desk, table or workstation, it does so with chic, contemporary style that fits perfectly into any home or office décor. It rotates 360 degrees and features two extra-large wooden shelves measuring 18 x 15.25 inches. One shelf fits six inches above the other, allowing plenty of storage space between them for documents, paper clips, pens and other office necessities.

By holding your monitor six inches above the surface, the MR1815SWVL helps ease eye and neck strain. It supports up to 88 pounds, making it ideal for monitors and televisions up to 50 inches, as well as laptops, printers and fax machines. Sturdy metal legs with a rubber swivel wheel beneath secures the riser on smooth surfaces. The MR1815SWVL assembles in seconds using the included hardware.
