

Quality Products. Service Excellence.

Latch Replacement Kits *DLRK Series*

Extend the life of your product by replacing or upgrading your latch. While we don't sell replacement keys, we offer replacement latch sets. Each Door Latch Replacement Kit (DLRK) has been reviewed to ensure compatibility with your preferred Hammond rack cabinet.

Features

- Simple to install in the field.
- Interchangeable with existing lock.
- Latches each include two (2) keys.
- Great for DIY applications.
- RoHS and REACH are compliant.

Accessories

- Padlock Adaptor
- Wall Rack Padlock Adapter
