Description

Tripp Lite's line of AC power cords offer PC users a solution to their power connectivity problems. This 6ft cable will replace the power cable on most computers and peripherals that have a removable power cord. Cable features an AC style plug (NEMA 5-15P) on one end and a computer style receptacle (IEC-320-C13) on the other end. Cable has both UL and CSA approvals. Tripp Lite warrants this product to be free from defects in materials and workmanship for life. Clamshell retail package.
