

## 2500-28J Information

For Reference Only

**Part Number** [2500-28J](#)  
**Manufacturer** API Delevan Inc.  
**Category** Inductors, Coils, Chokes  
[Fixed Inductors](#)  
**Description** FIXED IND 1MH 88MA 16.5 OHM TH  
**Package** Axial

## Certified Quality

Heisener's commitment to quality has shaped our processes for sourcing, testing, shipping, and every step in between. This foundation underlies each component we sell.

## 2500-28J Specifications

|                           |                                                             |
|---------------------------|-------------------------------------------------------------|
| Manufacturer Part Number  | <a href="#">2500-28J</a>                                    |
| Manufacturer              | API Delevan Inc.                                            |
| Category                  | Inductors, Coils, Chokes<br><a href="#">Fixed Inductors</a> |
| Package                   | Axial                                                       |
| Series                    | Military, MIL-PRF-M15305, MS90539                           |
| Type                      | Molded                                                      |
| Material - Core           | Iron                                                        |
| Inductance                | 1mH                                                         |
| Tolerance                 | ±5%                                                         |
| Current Rating            | 88mA                                                        |
| Current - Saturation      | -                                                           |
| Shielding                 | Unshielded                                                  |
| DC Resistance (DCR)       | 16.5 Ohm Max                                                |
| Q @ Freq                  | 60 @ 790kHz                                                 |
| Frequency - Self Resonant | 2.8MHz                                                      |
| Ratings                   | -                                                           |
| Operating Temperature     | -55°C ~ 105°C                                               |
| Frequency - Test          | 790kHz                                                      |
| Features                  | -                                                           |
| Mounting Type             | Through Hole                                                |
| Package / Case            | Axial                                                       |
| Supplier Device Package   | Axial                                                       |
| Size / Dimension          | 0.190" Dia x 0.440" L (4.83mm x 11.18mm)                    |

Height - Seated (Max)

## 2500-28J Guarantees

### Quality Guarantees

We provide 90 days warranty. \*

If the items you received were not in perfect quality, we would be responsible for your refund or replacement, but the items must be returned in their original condition.

### Service Guarantees

We guarantee 100% customer satisfaction.

Our experienced sales team and tech support team back our services to satisfy all our customers.

## 2500-28J Payment Methods

## 2500-28J Shipping Methods

If you have any question about 2500-28J, please do not hesitate to contact us!
